ADVENTURE MINISTRIES

POLE AND PADDLE

grades 7-12 | June 26-July 1

Pole & Paddle gives you the opportunity to visit Superior National Forest in northern Minnesota. this trip includes tenting, canoeing beautiful lakes, fishing and eating your catch, hiking, and having daily time with the Lord as you focus on exploring his creation. No experience is necessary, just a love for the outdoors!

SERVICE TEAM

The motto of the Service Team is, "Serve to love, love to serve," and while on Service Team, you will be doing just that: serving others. The Service Team is a vital part of Arrowhead's ministry, working in support areas such as dish crew and housekeeping. If you are interested in serving with us this summer, please fill out an application online, found on our 'High School Volunteer' page. Service Team is for those completing 9th-12th grade.

DISCIPLESHIP CAMPS

If registering for BASIC you must complete the application questionnaire online as part of registration.

BASIC

grades 9-12 | June 9-21

This intense two-week experience will have you digging deeply into God's Word and practicing your servant-leadership as we look together at the true nature of being a disciple of Jesus Christ. Because of its intentionally smaller group size, BASIC allows for more one-on-one time with staff as well as rich relationships among students.

Scholarship help is available. We would like all children to have the opportunity to attend camp. If finances are a problem, please check with your church first for assistance. If you do not attend a church, or if funds are not available there, please contact Arrowhead to inquire about scholarship funds.

Early Bird Discount: If your registration is postmarked on or before April 1, you will receive $20 off. If your registration is postmarked on or before May 1, you will receive $10 off.

Family Discount: If you are registering more than two children from your home for camp this summer, you will receive an additional $25 off for the registration fee for your third child.

If you have questions about registration, schedules, or what a camper week looks like, please visit our website:
