WELCOME TO THE MINISTRY AT ARROWHEAD!

We are busy planning for an exciting summer camp season! We thank the Lord that He has laid it on your heart to be a part of the ministry of Arrowhead Bible Camp this summer. I am sure you have a lot of questions about when to arrive, what to bring, how to prepare, etc. This is a letter to help answer some of those questions.

ARRIVAL AND TRAINING

You need to plan to arrive at Arrowhead no later than 1:30pm on the first day of the camp session you are working for. When you arrive, we will have a staff meeting so that we can all get to know the staff a bit better. Afterward, we will give you a brief orientation concerning your work for the week. There is a lot of other important information that we'd like you know as well, so please be sure to read the Volunteer Procedures before you get here!

SUMMER THEME

This summer's theme is Share the Hope, based out of I Peter 3:15 which reads: *Always be prepared to give an answer to everyone who asks you to give a reason for the hope you have.* As you can tell from the verse our theme this summer will focus on evangelism. But rather than strategies or tools for how to do it, we want to focus on the question of why. What is our motivation for telling others about Christ? Why should we do it and why should we want to do it? These are the questions we hope to answer with campers this summer. Our mission at camp is to make disciples of Christ, and you play an essential part in fulfilling that goal. So, thank you once again for being a part of this ministry! I am incredibly excited to have our campers hear, interact with, and hopefully be changed by the Gospel.
