Adah

Mara

Hello! We hope you've had a great summer. Our summer has been filled with birthday parties, family get togethers, walks in the park, and adventures in the boat. We also went on our first family vacation to South Carolina. Abel enjoys walking in the woods at the park and sometimes "accidentally" falling in the water. Mara is always asking if she can go fishing with Dad...or Papa. And Adah is polishing her skill of using her cuteness to get what she wants. At home free time is filled with house projects and enjoying any quiet time we can get.

Prayer Requests

- Future projects and where to devote our resources
- For my financial support to grow
- We are thankful that Covid had a minor effect on Camp this year

My family is extremely grateful to all of you who have supported me at camp. I hope to continue working at camp and use my skills and talents to help camp grow. In order for that to happen my financial support needs to increase. Currently only 60% of my monthly income is being donated each month. So I'm asking for your help. If you are not currently supporting me, I ask that you please prayerfully consider it. If you have any questions about how to donate or about Arrowhead, give me a call, text or send an e-mail.

Thank you for helping us build our way to camp!
